| Attorney Docket No. PHN 17,751 | : | |

This is a decision on the petition under 37 CFR 1.137(b), filed on May 3, 2007, to revive the above-identified application.

The above application became abandoned for failure to file a proper reply to the final Office action mailed August 18, 2006.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

The petition satisfies the requirements of 37 CFR 1.137(b), in that, petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) under 37 CFR 1.114, with the \$790 filing fee; (2) the petition fee of \$1,500; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application is being revived for consideration of the RCE.

The application file is being referred to Technology Center Art Unit 2618, for further processing.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
